The initial payment will be made within forty-five (45) days of ratification of this agreement. Thereafter it will be paid out annually in the first payroll period of October. This provision will sunset at the end of the collective bargaining agreement term, which is June 30, 2024.

ARTICLE 23
STAFF DEVELOPMENT

1. EVALUATION. Each member shall be reviewed annually. The written evaluation will be reviewed by the person evaluated, and the Employee shall sign the record indicating only that they have seen it. The Employee may add such documentation including objections to all or any part of the evaluation. Senior staff who are unit members may be required to evaluate assigned staff who are members of the same unit.
2. STAFF TRAINING. Management will make available staff training opportunities including evaluation training, skill development, and other appropriate courses to improve competency and productivity.

Those Employees who receive credit for eight (8) or more units may be tested every three (3) years to insure that these skills have been retained. They must take one eight (8) hour refresher course provided by the employer every three (3) years if requested to do so to retain this increment.

In the event that the skill has not been retained, the Employee will be allotted a reasonable period of additional time to regain lost skills. If still unable to perform satisfactorily, an additional course relating to the skill will be offered.

Credit shall be given immediately upon successful performance of any workshops offered. Employees who meet standards provided by the director of the workshop shall receive instant credit, and will not be obligated to attend the workshop. An additional credit may

To be eligible for reimbursement for the course, prior approval by the unit member's supervisor and Superintendent's designee shall be required and a final course grade of at least "B-" shall be required unless a course is only offered "Pass/Fail" in which case a "passing" grade shall be required. The total tuition reimbursement amount shall not exceed \$7,500.00 (seven thousand five hundred dollars) per year.
- I. Effective July 1, 2012, unit members who have obtained an associate's degree from an accredited college or university shall receive a \$500.00 differential on their base salary based upon submission of documentation to the Human Resources Department evidencing that the member has obtained an associate's degree from an accredited college or university. Courses given by the school district during work time will not be able to be used for course credit towards a degree at an accredited college or university.
- J. Effective July 1, 2012, unit members who have obtained a bachelor's degree from an accredited college or university shall receive a \$1,000.00 differential on their base salary based upon submission of documentation to the Human Resources Department evidencing that the member has obtained a bachelor's degree from an accredited college or university. Courses given by the school district during work time will not be able to be used for course credit towards a degree at an accredited college or university.

ARTICLE 24 SUBSTANCE AND ALCOHOL TESTING

a. Controlled Substance Testing. Upon reasonable cause, the Cambridge School Committee will require an Employee to be tested for the use of controlled substances.

Reasonable cause is defined as an Employee's observable action, appearance or conduct that clearly indicates the need for a fitness-for-duty medical evaluation.

The Employee's conduct must be witnessed by at least two (2) supervisors. The witnesses must have received training in observing a person's behavior to determine if a medical evaluation is required. When the supervisor(s) addresses an Employee, a building union representative should be made available. If no building union representative is present, a CEA officer will be contacted and the Employee may select another CEA member to accompany them.

Documentation of the Employee's conduct shall be prepared and signed by the witnesses within twenty-four (24) hours of the observed behavior, or before the test results are released, whichever is earlier. In addition, a copy will be sent to the Union in a timely manner.

At the time the urine specimen is collected, the Employee may opt to also give a blood sample. If the Employee takes this option, the blood sample must confirm positive presence for the substance confirmed in the urine test. If no positive is confirmed in the blood specimen, the Employee will be given a warning letter and offered an opportunity for rehabilitation as set forth below. However, if there is a second occasion where reasonable cause testing results in a positive urine test, then the Employee will be subject to discharge.

If an Employee is offered an opportunity for rehabilitation, the Employee must meet with the Medical Review Officer or designee to review the test results. If the Medical Review Officer determines a specimen is positive, the Employee will have five (5) calendar days to evaluate their situation with an approved Employee Assistance Program counselor and then up to fifteen (15) calendar days to enter the rehabilitation treatment center after approval of a leave of absence. The Cambridge School Committee will follow the final recommendations, of the Medical Review Officer, who has consulted with the rehabilitation treatment professional as to the appropriate after-care protocol and post-rehabilitation unannounced drug testing.

It is understood that if the grievance procedure is utilized, contractual time limits on disciplinary action and the Employee's request for rehabilitation will be suspended until resolution of the grievance.

b. Alcohol Testing. Upon reasonable cause, the Cambridge School Committee will require an Employee to be tested for the use of alcohol. Reasonable cause is defined as an Employee's observable action, appearance or conduct that clearly indicates the need for a fitness-for-duty medical evaluation.

The Employee's conduct must be witnessed by at least two (2) supervisors. The witnesses must have received training in observing a person's behavior to determine if a medical evaluation is required. When the supervisor addresses an Employee, a building union representative should be made available. If no building union representative is present, a CEA officer will be contacted and the Employee may select another CEA member to accompany them.

Documentation of the Employee's conduct shall be prepared and signed by the witnesses within twenty-four (24) hours of the observed behavior. In addition, a copy will be sent to the Union in a timely manner.

An Employee who tested for reasonable cause and whose alcohol level is 0.020 to 0.039 will be taken out of service for twenty-four (24) hours and receive a warning letter.

An Employee who is tested for reasonable cause and whose alcohol level is 0.040 to 0.069 will be taken out of service for twenty-four (24) hours, referred to a Substance Abuse Professional (SAP) and suspended for ten (10) days. If the Employee has committed another disciplinary offense, the results of the test may be used in support of the Employer's disciplinary action.

A second positive test of 0.020 or above is a dischargeable offense.

A positive test of 0.070 or above is a dischargeable offense.

A presumption exists that the Employee was drinking on the job if the observation, time of testing and alcohol level combine to show the Employee's level was too high to have consumed alcohol prior to the Employee's report time.

An Employee taken out of service for a positive test result must have a negative test prior to returning to work.

If after a positive test result, an Employee is removed from service, the Employee will have five (5) calendar days to evaluate their situation with an approved SAP and then up to fifteen (15) calendar days to enter the rehabilitation treatment center after approval of a leave of absence. The Cambridge School Committee will follow the final recommendations of the SAP, working in conjunction with the Medical Review Officer, who has consulted with the rehabilitation treatment professional as to the appropriate aftercare protocol and post rehabilitation unannounced alcohol testing.

It is understood that if the grievance procedure is utilized, contractual time limits on disciplinary action and the Employee's request for rehabilitation will be suspended until resolution of the grievance.

These provisions will apply to all Employees requesting enrollment in a rehabilitation program following a positive alcohol test. Employees may use the Employees Assistance Program, a union sponsored program as well as any other referral service in choosing an approved program of treatment.

c. If during the term of this collective bargaining agreement, the Medical Review Officer that is used by the City and CPS begins to utilize saliva or other scientifically valid tests for the presence of marijuana, the School Committee agrees to discuss with the CEA the use of such alternate testing procedures.

ARTICLE 25
EMERGENCY TRAINING

- A. The Superintendent of Schools and the Commissioner of Health may offer annually an Emergency Bystander first aid course. It will be offered after regular school hours and/or release days. The total course and subsequent refresher course shall not exceed fifteen (15) hours on school time.
- B. After November 1, 1984, all new members of the bargaining unit will be required to take the course and maintain the certificate. It will be offered on a volunteer basis to members of the unit employed prior to November 1, 1984, provided however, that all members must complete the course by September, 1987, if it is annually offered.
- C. The stipend for the completion of the course shall be \$365.00 (three hundred sixty-five dollars) payable upon certification. The Commissioner of Health or designee shall issue a certificate or endorsement annually to each clerk upon successful completion of the course or refresher course. The cost of the Emergency Bystander aid course shall be paid by the School Committee.

It is agreed that no member of the Union shall contact the School Committee concerning any matter covered by this Agreement without first bringing the matter to the attention of the Superintendent. The School Committee is a public body established under the statutes of Massachusetts and has final responsibility for establishing the policies of the public schools, for management of said schools and for directing their operation.

ARTICLE 27

| Fifteen (15) years | \$1,300.00 |
| Twenty (20) years | \$1,925.00 |
| Twenty-five (25) years | \$2,150.00 |
- B. Longevity to which an Employee is entitled shall be paid in one (1) payment on or about November 15th of each year.
- C. For purposes of this Article, one (1) year of part-time service is equal to three-quarters ($\frac{3}{4}$) of a year of full-time service. (Part-time clerks only.)
- D. All full-time clerks with prior part-time service in the School Department (4, 5 and 6 hours per day) shall have the part-time service calculated at 90% (ninety percent) from appointment date. The retroactive calculation will include the 0.9 (nine-tenths) years of credit from the date of initial appointment for each year worked as a 4, 5 or 6 hour Employee.
- E. All Employees newly employed or transferred into the bargaining unit after June 30, 1991 shall not be eligible for longevity payments. All Employees who are members of the unit prior to July 1, 1991 shall continue to be eligible for longevity payments in accordance with the schedule listed in section A.

ARTICLE 28
DURATION

2. Changes: Should either party to this Agreement wish to initiate collective bargaining discussion over changes they may wish to introduce into this Agreement, it is agreed that notice of the substance of the changes and the language with which such desired changes are to be expressed shall be mailed to the authorized parties signatory to the Agreement on or before 60 (sixty) days before the end of the term (the anniversary date as set forth in paragraph 1) of this Agreement. And the other party will have a reasonable period of time in which to make proposals of their own. **Agreement
between
the Cambridge School Committee
and
the Cambridge Teachers Association**

This Agreement is entered into between the Cambridge Teachers Association and the Cambridge School Committee as of the September of 29 2005.

WHEREAS, concerns have arisen regarding the fitness of employees to return to work after having been incapacitated due to illness or injury;

WHEREAS, the Cambridge Teachers Association Units A through E and the Cambridge School Committee have met in an effort to resolve these concerns;

NOW THEREFORE, in consideration of mutual promises and covenants, the receipt and sufficiency of which are hereby acknowledged, the Association and the Committee hereby agree as follows:

1. In accordance with past practice, the Cambridge School Department ("Department") reserves the right to require appropriate documentation after an employee who is a member of Units A, B, C or E of the Cambridge Teachers Association has been absent for ten (10) consecutive days or if a pattern of attendance or a pattern of sporadic absences of concern to the Department is evident. Additionally, in accordance with past practice, the Cambridge School Committee reserves the right to require periodic reports from the employee's treating medical provider on the issue of continued illness or injury and/or fitness to return to work.
2. In accordance with the provisions of Article 9 of the collective bargaining agreement between the Cambridge Teachers Association Unit D and the Cambridge School Committee and past practice, the Department reserves the right for the Superintendent to request a health exam if a substitute is out three (3) or more days or if a pattern of attendance or a pattern of sporadic absences of concern to the Department is evident. Additionally, in accordance with past practice, the Department reserves the right to require periodic reports from the employee's treating medical provider on the issue of continued illness or injury and/or fitness to return to work.
3. If a member of the Cambridge Teachers Association Units A through E is absent for thirty (30) or more consecutive days or if a pattern of attendance or pattern of sporadic absences of concern to the Department is evident, the Superintendent has the right to require an examination of the member by the City's chief medical officer or his representative. A member's medical provider shall be afforded full opportunity to consult with the City's chief medical officer or his representative prior to any

determination by such chief medical officer or his representative as to the status of the member's illness or injury and/or the member's fitness to return to work, including any recommended reasonable accommodations that will facilitate the member's return to work. If the member's medical provider and the City's chief medical officer or his representative disagree as to the status of the member's illness or injury and/or the member's fitness to return to work, including the necessity of any reasonable accommodations that will facilitate the member's return to work, the Department will coordinate the selection of a third medical provider who is acceptable to both the City's chief medical officer or his representative and the member's medical provider. The third medical provider, at the expense of the Department, shall examine the member and render a written advisory medical opinion as to the employee's fitness to return to work, including the necessity of any reasonable accommodations that will facilitate the member's return to work. The third medical provider's opinion on the foregoing subjects will prevail, although nothing herein shall require the Department to implement accommodations which it determines to be too burdensome. Copies of such advisory medical opinion shall be transmitted by the examining medical provider to the Executive Director of the Cambridge Public Schools Office of Human Resources, the City's chief medical officer or his representative, the member and the member's medical provider.

If the parties are in agreement regarding the City's chief medical officer's recommendation that that member is not fit to return to work, or, if the third medical provider determines that the member is not fit to return to work, then the member shall be continued on paid or unpaid leave, as appropriate.

If the parties are in agreement regarding the member's fitness to return to work, or if the third medical provider determines that the member is fit to return to work, the member shall no longer be continued on leave and shall therefore be obligated to return to work, so long as the Department implements the accommodations, if any, recommended by the third medical provider unless the Department has determined that the implementation of such accommodations would be too burdensome; otherwise the member will be subject to appropriate discipline.

The opinion of the third medical provider shall be final and binding on the parties and shall not be subject to the grievance/arbitration provisions of the applicable collective bargaining agreements between the Cambridge School Committee and Units A through E of the Cambridge Teachers Association.

Nothing in this Agreement shall impair the Department's inherent right to discipline or manage employees in the bargaining units covered herein,

including the right to impose discipline with respect to attendance issues,
subject to the terms of this Agreement.

WHEREFORE, the Association and the Committee have caused this Agreement
to be executed by their duly authorized representative as of the date set forth above.
